

So you want to hear a story?

Well, I used to know a whole lot of pretty interesting ones. Some of them so funny you'd laugh yourself unconscious, others so terrible you'd never want to repeat them.

But I can't remember any of those.

So I'll just tell you about the time I found that lost thing.

This all happened a few summers ago, one rather ordinary day by the beach. Not much was going on. I was, as usual, working tirelessly on my bottle-top collection and stopped to look up for no particular reason. That's when I first saw the thing.

The background of the entire page is a dense collage of technical drawings, diagrams, and text from an old engineering or physics textbook. Visible elements include:
